UNITED STATES DISTRICT COURT

DISTRICT OF ARIZONA

IN RE: Bard IVC Filters Products  
Liability Litigation,

No. 2:15-MD-02641-DGC

**THE PARTIES' UPDATED  
REPORT CONCERNING PROFILE  
FORMS**

1 In an order dated August 7, 2019 (Doc. 19874), the Court directed those Track 3  
 2 Plaintiffs who had not filed a proper Plaintiffs' Profile Form ("PPF") to do so on or before  
 3 August 22, 2019. The Court then directed the parties to submit an updated report  
 4 concerning those cases in which no proper PPF had yet to be filed.

5 On August 29, 2019, the Parties filed "The Parties Updated Report Concerning  
 6 Profile Forms" (Doc. No. 19936) and included an amended Exhibit "K," which included an  
 7 updated list of those cases in which a Plaintiff still has not submitted a proper PPF. Prior  
 8 to the Court's August 7th order, the Plaintiffs in several of these cases had requested an  
 9 extension to file the PPF, to which the Defendants had agreed. Therefore, as contemplated  
 10 by the Parties' previous submission, the Parties are filing the attached amended Exhibit K  
 11 to update the Court on the present status of the profile forms in those cases. The Defendants  
 12 believe the cases identified in amended Exhibit "K" as still having no proper profile forms  
 13 should be dismissed. If the Court would prefer that a separate motion be filed, Defendants  
 14 stand ready to do so. Plaintiffs co-lead counsel respectfully request that counsel of record  
 15 for each case listed on amended Exhibit "K" be entitled the opportunity to respond to a  
 16 separate motion before their case is dismissed.

17 Respectfully submitted, this 4th day of September, 2019.
